**State University of NY in Purchase, NY chooses Total Enforcement (TE) as their new
Computer Aided Dispatch and Records Management System**

August 16, 2010 - State University of NY in Purchase, NY chooses Total Enforcement (TE) as their new Computer Aided Dispatch and Records Management System to replace their existing legacy system known as SJS. TE a sophisticated .NET CAD/RMS for law enforcement offers wide-ranging interoperability including NCIC and RICI. Purchase College, State University of New York, with more than 4,000 students is a public four-year college located in Purchase, New York, United States on a 500 acre campus. It is one of 13 comprehensive colleges in the State University of New York (SUNY) system. The procurement which was purchased off the NYS OGS contract will include hardware, software, installation, maintenance, and training.
